INDEPENDENT TOURS IN GERMANY — INDEPENDENT TOURS IN GERMANY — INDEPENDENT TOURS IN GERMANY

## Independent Tours in Germany

Romantic Road of Germany, the most popular tourist route of the country with international getaways in Frankfurt and Munich, is best travelled by coach. And we say it because we know it from the smiles of those who have used our service. A famous trade route of the middle ages, the Romantic Road of Germany retains its medieval temperament. It winds through forgotten countryside areas and connects picturesque villages and walled towns.

Our so called "EB-Tours" are pre-arranged tour packages for independent individual travellers. The basis for these packages is our regular coach service along the Romantic Road as main means of transportation combined with further services such as transfers, hotel accommodation and sightseeing programmes.

Besides our multi-day tours, we offer one-day excursions to various destinations departing from Frankfurt or Munich. In addition to transportation, these packages include city tours, lunches and more. Since our coach line is operating daily from mid April until mid October, we are able to provide our tour packages on a DAILY BASIS with GUARANTEED DEPARTURES.

Our EB-Tours make travelling flexible and easy. The tours can be started and ended at different points along the route of our coach. Moreover, you can always request additional overnight stays at your places of interest. For PRE- AND POST TOUR ARRANGEMENTS please refer to our SPECIAL RATES on the following page.

Please note, departure and arrival times/places are subject to change. Due to possible changes during the year, all departure dates/places will be stated on our confirmations. Touring Tours & Travel GmbH will not accept liability for information provided to customers other than the ones on each individual confirmation.

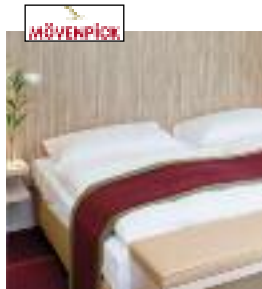

During fair periods a supplement may be charged with regard to accommodation or a suitable alternative may be chosen in the surrounding region.

### THE CYCLE ROUTE ROMANTIC ROAD:

On the Romantic Road cycle path from Würzburg to Füssen you cycle through three of Germany's most enchanting holiday areas – Franconia, Swabia & Upper Bavaria. The cycle route runs mainly through gently undulating countryside, first along the Rivers Tauber & Wörnitz before it crosses the Danube and heads south. Apart from a few "pushing" sections, most of the route is characterised by gentle climbs, well-made cycle tracks and quiet local roads. In the south, the route becomes somewhat hillier but still is suitable for normal bicycles and less athletic cyclist.

### ITINERARY:

As all cyclists are different in their skills, we made the experience, that it is better to offer customized tours for your individual needs rather than offering a certain itinerary. We will work out your customized offer if you provide us with some details such as mileage you want to cycle per day, how many people, which part of the Romantic Road you want to visit, how many days you have available etc.!

### ACCOMMODATION:

Accommodation is booked at local, typical tourist & tourist superior hotels and inns, which offer all necessary amenities for cyclists. Daily breakfast is always included.

### LUGGAGE TRANSPORTATION:

Your luggage will be transferred from destination to destination. Please make sure that you store it at the reception latest by 10:00 am. The final pick up time depends on the number of hotels our supplier has to deliver, but we guarantee that your luggage will be at your hotel latest by 5:00 pm.!

### BICYCLES:

For those of you who cannot use their own bicycles, we offer bike rental. The rental bikes are street worthy all terrain bikes with seven gear transmission, lights & baggage holder. Please do not forget to bring your helmet – they are not mandatory in Germany and cannot be rented for hygienic reason.

### SERVICES INCLUDED
